Junior Chamber International (JCI) has a membership base that spans more than 100 countries worldwide. In 2012, this highly respected international organisation chose AsiaWorld-Expo as the venue for its regional conference, which brought together 4,800 delegates from various regions. This high-level event featured a content-rich programme, including a spectacular opening ceremony, welcome party, and a black-tie gala ball. The HKSAR Chief Executive was also in attendance to officiate at the opening of this spotlight event.

“ The location of AsiaWorld-Expo was excellent for our organisation as well as our event in Hong Kong. With almost 5,000 members coming from around the globe, we found AsiaWorld-Expo to be the ideal venue, both near the airport and near downtown Hong Kong. Thank you to everyone who helped to organise this event in this wonderful venue. ”

Mr. Bertolt Daems, JCI President

Delighting guests from over 100 nations

✦ Personalised Touches

Heart-warming touches to the event included tailor-made desserts featuring the event's logo, which added to the party spirit and impressed everyone in attendance.

✦ A Total MICE Solution

To further enrich the event experience, AsiaWorld-Expo created a programme of live entertainment and guest interaction at its EXPOtainment CUBE. The programme included fascinating cultural performances, as well as onsite interviews designed to engage and inspire delegates.

“It was a very good idea to hold the gala dinner at AsiaWorld-Expo. The variety and high quality of the food was excellent. We enjoyed it very much! It's also very nice to know that there are so many landmark attractions close to AsiaWorld-Expo. We are particularly interested in visiting the Big Buddha and taking the Ngong Ping Cable Car. We would be very happy to come back for other business occasions or concerts. We really hope JCI will come back here for future conferences. We are looking forward to a second visit soon!” ”

Warm praises

“As soon as we arrived, the organisation and the welcome gave us a great impression. It's very obvious that the management team at AsiaWorld-Expo, all the staff at the venue, and also our JCI members are all totally dedicated to this event.”

Mr. Ulziidelger Batbayar, JCI ASPAC Conference Chairman

“The venue's location is very good. I particularly appreciate the in-venue train service. The venue itself is also excellent. It offers a comfortable and spacious environment, which is good for a dynamic and packed programme such as this.”

Mr. Isuru Samarage, Synergist, 361 Interactive (from Sri Lanka)

“We found it was very easy and convenient to come here and the EXPOtainment CUBE just next to the Arena offers a very spacious and comfortable setting for us to meet and mingle with other members in an entertaining environment.”

Mr. Aaron Chern, 2012 International Affairs Committee, Junior Chamber International (from Singapore)

“The venue is great for conferences, particularly at a regional level such as this. I think it's a good strategy to develop Lantau Island as a MICE destination with a cluster of tourist attractions and a world-class venue like this because it means delegates can get the most from their trip.”

Mr. Hankan Tansel, Senator, Junior Chamber International (from Turkey)

“The banquet hall is spacious and has a good ambience. It was a great idea to host the gala dinner at AsiaWorld-Expo. I believe JCI will come back to Hong Kong very soon.”

Mr. Tomonari Sasazaki, President, Three Wise Inc. (from Japan)
