Dear Ms. Leung,

On 14 May 2012, our company held a 147-table banquet at AsiaWorld-Summit. I am writing to express my thanks for the success of this event, which was a truly enjoyable occasion for everyone in attendance.

As an integral part of Hong Kong International Airport, and thus within easy reach of our facility, AsiaWorld-Expo provided the perfect opportunity to host a banquet for all staff members. This milestone occasion has helped bring the whole team even closer.

Yet AsiaWorld-Summit offered us much more than a convenient location. This spacious, high-ceilinged venue easily accommodated even our most imaginative plans. For instance, our management made a grand entrance by flying into the hall and opening the event in the style of an Olympic archer – a truly memorable occasion! The private pre-function area also allowed staff to participate in games before the main event, which gave the whole evening a playful and vibrant mood.

Thank you again for your support in creating a truly special evening.

Yours sincerely,

Kenneth Chan
