

This is to certify that  
**Asia World-Expo Management Limited**  
 has achieved  
**Level 1 Carbon Reduction**

for the period January 1st 2010 – December 31st 2010 against the base year 2009

in accordance with CarbonCare® Label Protocol and verified by Carbon Care Asia Limited.

The certified venue has measured GHG emissions and reduced emissions through the implementation of in-house reduction measures. Level 1 carbon reduction represents at least 5% and less than 20% reduction against the base year.

Dr Trini Leung  
 Executive Director  
 Carbon Care Asia Limited
