AsiaWorld-Expo, Arena (for Conference)

Key Features

- 10,880 square metres
- Up to 12,000 pax
- 19 metre-high ceiling clearance
- Column-free

“

In view of the overwhelming response received for the “Youth Forum” event, we had to look for a venue that could host a large number of guests at the very last minute. The team at AsiaWorld-Expo demonstrated high efficiency in running such top-level conference despite of the tight schedule.

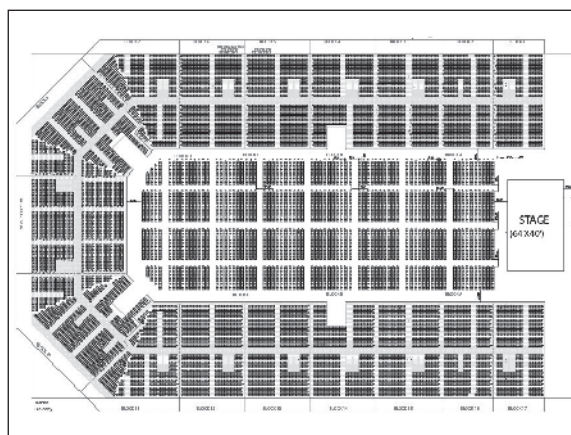

”

Mr. Kenneth Fok
Chairman

Hong Kong United Youth Association

Conference Layout Plan

12,000 pax

Why Choose AsiaWorld-Expo, Arena?

- 1** Largest indoor partly-seated and partly-standing configuration caters to differing needs.
- 2** Demountable seating system allows flexible configuration.
- 3** Specialist acoustic treatment, excellent rigging capabilities and a clear ceiling height of 19 metres.
- 4** Spacious backstage area with en suite dressing rooms, organiser offices, multi-purpose rooms, pantry kitchen and laundry room.
- 5** Ground-level vehicle access for efficient and convenient move-ins, set-ups and move-outs.
- 6** An exclusive VIP hospitality suite ideal for pre-show gathering and hospitality.

Value-added Service. Subject to separate quotation.
