

FOOD & BEVERAGE SERVICES

AsiaWorld-Expo provides a variety of flexible catering services and culinary choices to suit different tastes and preferences. Our catering team includes specialist staff for both Western and Chinese banqueting functions and will be happy to tailor-make menus to suit specific needs.

Variety of services on offer includes:

(a) Retail Outlets

The venue's public areas and event halls boast a wide range of F&B retail outlets. They include a seaview restaurant, a full-service bar, several cafes, coffee shops and fast-food outlets offering buffets, sandwiches, snacks and a selection of Asian and Japanese cuisines. Visitors in individual halls will also enjoy access to a series of mobile coffee and snack bars, plus dedicated F&B counters that can provide regular services or special services that are themed in line with individual events.

(b) Stand Catering

The catering team can supplement the built-in F&B counters inside each hall by arranging special catering areas ranging from casual seating to elaborate banqueting set-ups. Exhibitors wishing to pamper their clients can also order stand-specific catering services such as buffet breakfasts and tea breaks, coffee bars and cocktail receptions, etc. Delivery of meal boxes, sandwiches and other F&B orders are also available, upon request.

(c) Catering for Organiser's Office and/or Meeting Rooms

Customised preparation and delivery of special orders such as vegetarian and kosher meals, breakfasts, tea breaks, lunches, cocktail receptions and formal dinners is also available at prices within several different budget bands.

(d) Banqueting Functions

AsiaWorld-Expo offers a variety of different space configurations to suit catered functions of different sizes. The options range from intimate, 12-person business luncheons, to sumptuous feasts and gala dinners for over 2,000 guests. Whatever your needs are, AsiaWorld-Expo is sure to have a competitively priced culinary package to match!
